#### CORONAVIRUS COVID-19 UPDATE

As this situation is escalating and changing so quickly we have recommended that any staff who can work from home should do so. We have limited on-site business operations to essential staff in our warehouse to ensure fulfilment and delivery of customer orders with minimal interruption.

We ask anyone who would like to pick up product or who is delivering to please practice social distancing and not enter our building. Please call ahead and we will make arrangements to leave your order for pick up. We will not be asking for or signing for product. Please leave your name with the contact on the phone and we will record it.

These essential employees adhere to recommended hygiene and social distancing practices.

As we continue to monitor this situation we will adjust as we need to. If you have any questions or concerns please do not hesitate to call us at any time; 1-888-458-8055

As we work to keep our business going during this trying time, we want everyone to understand your health and the health of your families is the most important thing.

Thank you  
Mike Bolduc  
President  
B-Line Tire & Auto Supply Ltd.
